London's mystery "Batman" is still going

The masked figure's Instagram bio reads: "Tell me your problems, and I will make them go away." YouTuber Niko Omilana (9m+ subscribers) told the BBC "I'm not Batman". Nobody has been confirmed. Deeds include filling potholes and paying hospital parking fines.

> **Why it matters:** Anonymity keeps the guessing going, and each new good deed is another post to share.

Celebrity Traitors is building to its finale

On Thursday's episode Ross Kemp was murdered and Jerry Hall was banished, and James Acaster refused to take part in a mission. The finale is on Friday 30 Oct at 8pm on BBC One.

JADE's "Angel of My Dreams" is TikTok's catwalk sound

Kylie Jenner walked the Victoria's Secret show on 18 Oct to JADE's 2024 single. Creators have since filmed their own catwalks to it on TikTok, and one clip passed 1.8m views. JADE posted her own reaction from the Tube.

> **Why it matters:** One runway moment gave a two-year-old UK single a second life, and the format is easy to join.

A real Paris metro clip is accused of being AI

Océane, 20, taped an iPhone to the window of a packed Paris train and posted the clip on 15 Oct. Many said it was AI. Her reply: “It's so well done that you think it's AI?” She has about 200,000 followers.

> **Why it matters:** “Is it AI?” is now the first reaction to anything surprising. Real footage needs proof it's real.
