Karl Bushby finishes his 28-year walk home to Hull

Karl Bushby, 57, walked into Hull on Monday, 28 years and a day after setting off from Chile, an estimated 75 million steps with no motorised transport, per CBS. He swam the Channel last month on the way. On arrival he said: “the biggest team: Earth”.

> **Why it matters:** A very long journey with a clear finish line. People love watching someone arrive.

Aldi's Kevin the Carrot teaser: Cauli Dog is missing

Aldi released a 10-second Christmas teaser in which Kevin and his daughter Chantenay put up “LOST” posters for Cauli Dog, who “stole the nation's hearts last Christmas”. Aldi says the rest of the story is “firmly under wraps”. The full ad has no release date yet.

> **Why it matters:** A mystery teaser builds the audience before the reveal. The missing posters invite guesses.

Which? names £1.99 Yorkshire puddings joint best

In Which?'s blind test with 69 tasters, Aldi's Specially Selected Large Beef Dripping (£1.99 for 290g) and Lidl's Deluxe (£1.99 for 288g) tied top at 76%, and both are Best Buys. Aldi's are in-store only.

> **Why it matters:** Own-brand beating the famous name is catnip for debate, and roast season is here.

A man with a Tesco Clubcard tattoo says he can't afford Tesco now

Dean Mayhew, 34, from Bideford, had his Clubcard QR code tattooed in July 2022. He tells Metro he can't afford Tesco now: about £200 for a midweek shop for his family. Metro notes Which? price comparisons have found Asda cheaper than Tesco, though Which?'s comparisons vary.

> **Why it matters:** Loyalty schemes meet cost-of-living pressure in a single image. Quirky stories like this travel on Facebook and TikTok.
